Dear Dr Snouck Hurgronje

Pray accept my best thanks
for your pamphlet. It is a pity
that you sh^d have been forced into
controversy; but the necessity
has given you the opportunity of
telling us some very interesting things
e.g. about the *Si-gi*.

Like you I am very sceptical about
the wonderful Bedouin girl. Does
Dr L. sometimes smoke hadich?

With kind regards to friends in
Leiden

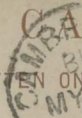

Yours truly

W R Smith
